GET READY FOR YOUR BEST SKIN YET

AlumierMD chemical peeling treatments are hyper-customised by your skincare professional on the day to suit your skin type and condition as well as your skin needs following a consultation. All AlumierMD peels feature only pure acids for effective rejuvenation and transformative results. They can be combined with other in-clinics treatments too.

TREATMENT	DESCRIPTION	FROM €
Initial Peel	A peel with lactic acid and/or salicylic acid, this treatment will gently exfoliate for light rejuvenation.	From €100 (Include Post Procedure Kit)
Advanced Peel	This two-step protocol will effectively rejuvenate skin for a brighter, smoother and clearer complexion with a peel and enhancement mask or booster.	From €110 (Includes Post Procedure Kit)
Advanced Peel Plus	This three-step treatment effectively rejuvenates at multiple layers with an enhancement mask, peel and booster, resulting in a brighter, smoother and retextured complexion.	From €120 (Includes Post Procedure Kit)

ADVANCED ANTI-AGEING

SKIN BOOSTERS + Alumier MD

PRP Plasma Treatment AKA 'The Vampire Facial'

from €380

Includes a microneedling facial. PRP can treat a wide range of skin concerns, including fine lines and wrinkles, sagging skin, upper & lower eye area, dark circles and acne scars.

PRP, or Platelet-rich plasma using your own blood, helps to promote collagen production and kick-starts the skin's regenerative capabilities. The skin is rejuvenated and rehydrated, and wrinkles are reduced resulting in a healthy, regenerated glowing complexion that looks smoother and more youthful.

MICRO NEEDLING PEN / COLLAGEN INDUCTION THERAPY - 70 mins

from €140

Clinical studies have shown that micro-needling produces channels in the skin's dermis which stimulates the body to produce new collagen and protein which reduces old scarring, tightens sagging skin and plumps fine lines and wrinkles to make them less visible. This treatment is popular with celebrities like Angelina Jolie and Demi Moore.

IPL

€100

Intense pulsed light is a non invasive treatment that delivers high intensity light into the deeper layers of the skin to reduce fine lines and wrinkles, redness, broken veins and pigmentation spots.

NEW SQT Liquid Microneedling (non invasive / no machine / no needles)

from €160

Treats various skin concerns, in 5 minutes 3,000,000 natural micro-needles are inserted into the basal layer of the skin through hand massage to promote skin metabolism & collagen regeneration, improving the skin's texture and overall skin health.
